

Addendum 2 to the Request for Qualifications for Innovative Designs for the World Trade Center site (RFQ LMDC-09)

The Addendum issued on September 6, 2002, shall be known as Addendum 1. This Addendum issued on September 9, 2002, shall be known as Addendum 2.

CLARIFICATION 1

Names of the individual respondent(s) and/or firm(s) responding to the RFQ should be included only in the following places:

1. List of principals, project managers and professional staff (item 1 part 2 under Submission Requirements in the RFQ).
2. Description of how the respondent intends to work (item 3 part 2 under Submission Requirements in the RFQ). This is the portion of the submission in which other team members and/or sub-consultants, if any, may be listed.
3. Contact Information Form (item 4 under Submission Requirements in the RFQ).
4. Conflict of Interest Statement (item 5 under Submission Requirements in the RFQ).
5. Schedule A-1 Staffing Plan.

CLARIFICATION 2

The "Contact Information Form", as specified in item 4 under Submission Requirements in the RFQ and modified by Addendum 1, is not the same as the Schedule A-1 Staffing Plan.

CLARIFICATION 3

Respondents that have already made submissions are requested to resubmit to conform to Addenda 1 and 2. In the event that submissions already received or postmarked by September 9, 2002 do not conform to this Addendum, LMDC staff will redact names of individuals and/or firms that appear in places other than those specified above in Clarification 1 to prevent disqualification on that basis alone.
